

Time to Leverage BIM in Your Construction Process.

Don't get left behind.

**BUILDING
CONGRESS
& EXCHANGE**

Sponsored By:

CADD Microsystems, Inc.

Are you interested to hear what other contractors are really doing with BIM? Don't miss this culminating event in the BIM Seminar Series.

Curtis Dalsimer from **Plano-Coudon** and **Lynn Bennett** from **Coakley Williams Construction** will tell you how they are benefiting from their use of BIM.

What: Baltimore Building Congress and Exchange BIM Seminar

When: Wednesday, March 23, 2011: 3-5pm

(Followed by the regular March networking hour)

Where: Towson Golf and Country Club

Local, Baltimore-based contracting company **Plano-Coudon**, and one of the oldest general contractors in the area - **Coakley Williams Construction** - will present on the following topics:

- Honest accounts of the challenges, findings and contract methods of BIM
- The implementation of BIM (project based and company-wide)
- From a GC's perspective, the realities of working with design firms using BIM
- How to educate yourself and your company about BIM
- Lessons learned and next steps
