

THE TECH TOUR

Couldn't Attend
Autodesk University?
Come to the CMI Tech Tour.

Next Stop: Washington DC

Tuesday, February 23, 2010

When: 8:30am – 3:45pm

Where: Grand Hyatt Washington
1000 H Street NW, Washington, DC

To register, contact **Allison Wharton**:

Email: events@caddmicro.com

Phone: 410.637.3851

Website: www.caddmicro.com

Couldn't make it to AU in Las Vegas? Save yourself the flight and attend the **CMI Tech Tour** in Washington, DC! The **Tech Tour** is a one-day learning experience that keeps you current on the latest industry trends and gives you access to CMI experts, who will present twelve sessions that will help you be proactive with the changing industry conditions. Learn how **Revit models** can be used in **3ds Max Design** to create the most photorealistic renderings possible. See **Navisworks** in action during a project coordination demo. Learn about the latest products in **space planning**. All in one day and all at no cost.

This is a free event and breakfast and lunch is included.
