Join **CADD Microsystems** for something you can't get anywhere else! The Tech Tour is our free, half-day Autodesk user conference featuring Autodesk and CADD technical experts presenting new and innovative ways you can combine the software you use every day with the latest collaboration and cloud tools. We'll show you how to harness the power of your Autodesk tools to improve project outcome.

Topics include:

- ✓ Using Revit with collaboration tools in the design process
- ✓ Civil infrastructure workflows
- ✓ Revit tips and tricks
- ✓ How Navisworks, InfraWorks, Recap, and Map 3D improve civil projects
- ✓ New collaboration tools for Construction
- ✓ BIM for Owners
- ✓ And more!

We'll also provide breakfast and all the coffee you can drink. Reserve your seat now to make sure you don't miss the great educational sessions, networking opportunities, and access to our design experts. There is no cost to attend, and attendees receive 4 AIA or continuing education credits.
