

THE TECH TOUR

CMI's One-Day Learning Experience.
Fresh Topics. Solution-Based Sessions.

The FREE CMI Tech Tour is back and better than ever. CMI and Autodesk experts will present twelve sessions that address current industry trends to help you be proactive with the changing industry conditions. Learn about BIM, Revit, Civil design and much more.

In addition to the informative new sessions, the CMI Tech Tour is a great way to speak one on one with our industry experts and discuss issues you are currently facing.
